The Tulsa Chapter of the Society of Petroleum Engineers (SPE) is holding its 2009 Annual Fall Roundup and Golf Tournament on Monday, **August 17, 2009** at the Meadowbrook Country Club in Tulsa, Oklahoma. This is an event with an annual attendance of over 250 SPE members and guests.

We are now soliciting for tournament sponsorship as well as scholarship sponsors. Donations can be in one of four categories:

1. Cash gifts of \$ 250 or more with or without restrictions to be applied to the general prize fund.
2. Door Prizes such as clubs, bags, etc. with a value of \$250 or more.
3. Donations for "Ditty Bags"
4. *Every year proceeds from the Fall Roundup Golf Tournament help fund the SPE Mid-Continent Section Scholarship Program. New this year, we are providing an opportunity for sponsors to donate \$500.00 or more to this program. If you are interested, please designate your donation as "Scholarship Fund".*

All donations will receive advertising for your company. Advertising will be posted on tee boxes and your company name will be posted on a sponsor board displayed at the registration and banquet. Sponsors will have priority on starting times. In the event that more sponsors chose a starting time than times available, the starting times will be scheduled based upon time sponsorship is received. We feel that this exposure, in return for your generous contribution, will be most beneficial to you. If you specify, awards can be donated for the longest drive, closest to the pin, etc. However, this is on a first come first serve basis.
