

2011 Sporting Clays Classic

Results

As always, we had a great turn out at the Sporting Clays Classic with a total of 220 shooters. The weather was a little cool in the morning but turned out perfect for the afternoon. Everyone had a lot of fun; we gave away a lot of great prizes and still made a significant contribution to the SPE Scholarship Fund. Once again I want to thank our sponsors for their help. An extra special thanks is given to the companies that donated above and beyond the normal donation. This allowed us to give away even more prizes and still help some of the college kids with expenses. This event would not be possible without their support. The sponsor list is as follows:

ALL BAKER-HUGHES COMPANIES – Lunch and a \$250 gift cert. from the pumping group.

PROTECHNICS – Provided Golf Carts
