PLEASE READ AND SIGN:

Any scholarship awarded by the Society of Petroleum Engineers, Inc. is contingent upon the recipient's being officially registered at an accredited university and enrolled and declared in a curriculum leading to the degree of bachelor of science in petroleum engineering. The scholarship is payable in halves at the beginning of the first two semesters. All of the above information is required in order for you to be considered for this scholarship. Your signature authorizes release of the information and is required in order for you to be considered for this scholarship. Your signature authorizes release of the application and information to colleges with Petroleum Engineering programs for consideration of other financial support. Recipients will be notified by May 1, 2007.
