SPE Mid-Continent Section | P.O. Box 575, Tulsa, OK 74101-0575 | www.spemc.org

Voting members consist of the Executive Committee. The Chairman only votes in the event of a tie. A Motion can be voted upon with a Quorum of the Voting Members present. A Quorum consists of five Voting Members present. An affirmative vote will consist of 50% of the Quorum present. Committee Chairmen and in their absence, the Committee Vice Chairmen are encouraged to attend board meetings and provide representation and committee reports. The editor welcomes newsworthy items about SPE members or events. Please provide a draft to the newsletter editor by the 25th of the month. Change of contact information requests should be made to SPE in Richardson, TX, 1-800-456-6863, or service@spe.org.

Chairman's Gavel

Bryn Lewis, 2024-2025 Chairman

Hey everyone!

I'm excited to see you at our first luncheon of the year. The luncheon will be on February 19th at OSU-Tulsa. Patrick Gustafson and Paul Stern from H&P will be presenting. Future luncheons for the remainder of this term will be held at the Tulsa Country Club.

If you know an upcoming college freshman or current college student that is pursuing an undergraduate degree in a petroleum-related field, please encourage them to apply for our scholarship. Our board and committee members work hard throughout the year to fundraise specifically for our scholarship fund. I was a proud recipient of this scholarship, and as a student, it significantly alleviated the financial burden of tuition allowing me to focus more on my studies and engage fully. It also provided motivation knowing that I had the support of this organization. Scholarship applications can be found on our website (www.spemc.org) under the "scholarships" tab. If you, or a student you know, have any questions regarding the application, please feel free to reach out to me at midconsponsorship@gmail.com.

Be sure to tune into the SPE newsletters for information pertaining to our upcoming events for the spring!

Bryn Lewis
2024-2025 Chairman

SPE Mid-Continent Scholarship Applications

Scholarship applications for incoming college freshmen and current undergrad students are available on the SPE Mid-Continent Section website. Please visit www.spemc.org/spemc-scholarships to download the required documents and to review scholarship requirements. Applications are due April 30th.

ATCE 2025 Location Update

We've got big news for the 2025 SPE Annual Technical Conference and Exhibition (ATCE). Due to ongoing construction at the Kay Bailey Hutchison Convention Center in Dallas, Texas, the original venue will not be ready in time for the 2025 event. But don't worry—we've secured an exciting new location!

ATCE 2025 will now be held from 20-22 October in Houston, Texas at the George R. Brown Convention Center.

February contains at least two days of note—Presidents' Day and Valentine's Day. Be sure to add another day for your activities—our Mid-Continent Luncheon. Come to OSU Tulsa on February 19th. Join us for H&P's presentation.

Don't forget to review the ads in your newsletter. There are some interesting technologies that can help solve some of the scientific challenges that confront you. Look for technologies that can help you do your job faster, economically and accurately.

Betty Felber
Editor

Calendar of Events

Wednesday, February 19, 2025 - Luncheon Meeting - OSU Tulsa

- Patrick Gustafson & Paul Stern, "H&P Rig 918 Prototype Facility: Purpose, Past State, Current State and Future State"

Take time to check out this important topic on the SPE Energy Stream.

IMPORTANCE OF THE SPE PETROLEUM ENGINEERING CERTIFICATION

<https://streaming.spe.org/importance-of-the-spe-petroleum-engineering-certification>

PetroWiki is a free resource from SPE to answer many basic petroleum engineering and operational questions. SPE professional members can contribute their expertise through updating or adding to PetroWiki content.

Petrowiki is moving to onepetro

PetroWiki is transitioning to OnePetro, which will bring all SPE resources together in one trusted and easily navigable location. This move enhances functionality with cross-search capabilities, allowing seamless access to both PetroWiki's archived content and broader SPE research.

Keep your SPE membership producing for you.

Presentations / Meetings

FEBRUARY 2025

WEDNESDAY, February 19, 2025 | Luncheon Meeting | 11:20 am -1:00 pm.

Location: OSU Tulsa Conference Center, 700 N. Greenwood, Tulsa, OK 74106.
Room: North Hall, Room 150 (An interactive campus map is available at <https://tulsa.okstate.edu/map> showing the location of the conference center and where parking is available.)

Register: To register and pay by credit card, or to make reservations to pay with cash or check at the door,* go to <https://spemc021925.eventbrite.com>. Registration ends Tuesday, February 18th at 10:00 a.m.

Speaker(s): Patrick Gustafson & Paul Stern

Topic: “H&P Rig 918 Prototype Facility: Purpose, Past State, Current State and Future State”

Description: This presentation will explain the purpose of the facility, past projects, current projects, future outlook, and the value it brings to the overall organization. As well as an overview of H&P’s US land rig types and Rig 918.

Speaker Bio: Patrick Gustafson is the Rig 918 Prototype facility manager / drilling superintendent / operations engineering support services. 20 years working with H&P, starting as a floorhand in 2005 and holding multiple rig positions. Currently serving Rig 918 as the facility manager and operations engineering support. Resides in Owasso, OK with wife Stacy and sons Jaiden and Jaxson.

Watch for announcements about future meetings and events in this newsletter or by email. To register and pay by credit card, or make a reservation to pay by check or cash at the door, go to the corresponding link for a luncheon. In-person luncheon cost is \$20.00 for Professionals, Retired, Unemployed, Graduate Students, and free for Undergraduate Students. Payment by credit card is for advanced registrations ONLY, no credit cards will be accepted at the meeting, only check or cash accepted at the door with a reservation.
