SPE Mid-Continent Section | P.O. Box 575, Tulsa, OK 74101-0575 | www.spemc.org

Voting members consist of the Executive Committee. The Chairman only votes in the event of a tie. A Motion can be voted upon with a Quorum of the Voting Members present. A Quorum consists of five Voting Members present. An affirmative vote will consist of 50% of the Quorum present. Committee Chairmen and in their absence, the Committee Vice Chairmen are encouraged to attend board meetings and provide representation and committee reports. The editor welcomes newsworthy items about SPE members or events. Please provide a draft to the newsletter editor by the 25th of the month. Change of contact information requests should be made to SPE in Richardson, TX, 1-800-456-6863, or service@spe.org.

Chairman's Gavel

Bryn Lewis, 2024-2025 Chairman

As we enter the final month of our board's term, I want to take a moment to reflect on what an incredible year it has been for the Mid-Continent Section of SPE. From technical luncheons and fundraisers to student support and community engagement, this year has been full of meaningful connections, professional growth, and shared learning. Thank you to each of our board members, volunteers, and members for making it all possible.

To celebrate our year together, we're excited to invite you and your families to our **Annual Membership Appreciation Event at Driller Stadium on May 22nd!** This is always a highlight of our calendar—a chance to relax, enjoy a ballgame, and connect with fellow members outside the office. We'll have great food, fun for all ages, and of course, the Tulsa Drillers taking on the Springfield Cardinals. Don't miss it!

As we look ahead, voting for next year's board and directors is wrapping up. If you haven't already, please take a moment to cast your vote and help shape the future of our Section. I'm confident that the incoming leadership will continue to build on our momentum and lead us into another successful year. The Section is in great hands.

Thank you again for your engagement, your energy, and your commitment to our Section. It has been an honor to serve as your Chairman.

Warm regards,

Bryn Lewis
2024-2025 Chairman

From Your Editor

Betty Felber, 2024-2025 Editor

Well, we made it to May 2025. Thanks and congratulations to all of you and to our current Mid-continent SPE officers for leading us thru our 2025 Section activities.

Soon our new slate of officers will take the Section reins. I urge you to give them your support and vow to become more active in our Section. Surely the next session won't be too tumultuous.

Have a good summer break. We hope to see you in September.

Betty Felber
Editor

All SPEMC luncheons are held at the OSU Tulsa Conference Center unless otherwise noted - See pp 6-7 for more details.

Member Appreciation Event

WHO: SPE Mid-Continent members and their families

WHAT: Tulsa Drillers vs. Springfield Cardinals

WHERE: ONEOK Field, Osage Pavilion (201 N. Elgin Avenue Tulsa, OK 74120)

WHEN: Thursday, May 22, 2025

RSVP: <https://spemcbrnight25.eventbrite.com> (Attendance is free to members, but RSVP is required - RSVP by Noon Wednesday, May 21st)

Last year's SPE Family Night at Driller Stadium was a fantastic success! Nearly 100 members of the Mid-Continent Section of SPE and their families—ranging in age from toddlers to grandparents—came together for an evening of fun, food, and fellowship. It was a great opportunity to connect with colleagues, show our families what we do, and enjoy a night out at the ballpark. This year, we're doing it again—and you won't want to miss it!

Join us for a night of baseball as the Tulsa Drillers take on the Springfield Cardinals. Bring the whole family to enjoy a delicious spread of FREE hamburgers, hot dogs, baked beans, potato salad, watermelon, chips, cookies, and fountain drinks. And don't forget to bring the kids to meet Hornsby, the Drillers' beloved mascot!

This event is our way of saying thank you for your continued support. We hope to see you there for another memorable evening!

*****Check-in and ticket pickup will be at the table just outside the gate at the corner of Reconciliation Way and Elgin, right across from Elgin Park Brewery. We have ordered 100 tickets to start, so please RSVP so we can get more if needed.***

Presentations / Meetings

MAY 2025

WEDNESDAY, May 21, 2025 | Luncheon Meeting | 11:20 am -1:00 pm.

Location: Tulsa Country Club, 701 North Union Avenue, Tulsa, OK 74127

Speaker: Shawn Nix presenting on behalf of JP Dick, Pinnacle Energy Services

Topic: “Current O&G Activities, Plays, and Historical Perspectives”

Register: To register and pay by credit card, or to make reservations to pay with cash or check at the door,* go to <https://spemc052125.eventbrite.com>. Registration ends Tuesday, May 20th at 10:00 a.m.

Speaker Bio: Shawn Nix is a seasoned petroleum engineer with over 20 years of experience solving complex reservoir and operational challenges across unconventional plays. With deep expertise in reservoir engineering, asset evaluation, and business development, he has played a key role in supporting over \$300 million in acquisitions and divestitures (A&D), optimizing well performance, and expanding drilling inventories. His work in CO₂ flood recovery and unconventional asset development has consistently driven production efficiency and long-term value creation.

Shawn holds dual degrees in Petroleum Engineering and Management Information Systems from the University of Tulsa. He has led multidisciplinary teams, developed custom software tools to support engineering workflows, and delivered technical testimony across regulatory and investor forums. Known for combining technical rigor with strategic insight, he brings data-driven solutions to complex challenges—bridging the gap between engineering and executive decision-making.

John Paul (J.P.) Dick is the founder and manager of Pinnacle Energy Services, LLC. He has been a consulting petroleum engineer in Oklahoma City, Oklahoma since 1998. He provides reserve and economic evaluations, regulatory and litigation

Watch for announcements about future meetings and events in this newsletter or by email. To register and pay by credit card, or make a reservation to pay by check or cash at the door, go to the corresponding link for a luncheon. In-person luncheon cost is \$20.00 for Professionals, Retired, Unemployed, Graduate Students, and free for Undergraduate Students. Payment by credit card is for advanced registrations ONLY, no credit cards will be accepted at the meeting, only check or cash accepted at the door with a reservation.

expert testimony, well and field reviews, and various reservoir and operations analyses to numerous clients concerning oil and gas activities. With prior engineering roles at JMA Resources, Marathon Oil, and Enserch Exploration, he brings over four decades of experience across Oklahoma, Texas, Kansas, Michigan, and Arkansas. J.P. holds a Petroleum Engineering degree from the University of Tulsa and is a Registered Professional Engineer in Oklahoma and Texas, as well as a member of the Society of Petroleum Engineers.
